**To: All Theatre Arts Instructors and Miami Artists**

**From: District 8 Thespians**

**Dear Colleagues:**

**The District 8 Workshop is seriously in need of your talents. Once again, we are asking ALL theatre arts instructors and performing artists to volunteer their time on Saturday, September 24, 2016 and teach a few sessions. We know it is asking a lot, but we cannot have a great workshop without all of your cooperation. Most instructors teach three sessions, but if you feel like a brave soul, you may certainly do as many as you like. These individual sessions last for 45 minutes and you pick the number you want to teach, the time you want to teach, the number of students you want in the room and the level (middle or high school). We will try to accommodate the time you would like to teach as well.**

**We are actively looking for all areas of expertise from acting and voice to set design and dance. Our workshop's success depends on all of you and we hope we can depend on your volunteering. You can also volunteer even if you are not bringing any students to the workshop. And if you have friends or you know of people in the district who might help us out, please let them know and send me their information so I can recruit them. We can't do this without you. Let's be Thespians United and pitch in to share your wonderful talents with all the kids this year! It is such a special opportunity for everyone to work collaboratively. Please seriously consider assisting us this year as an instructor and in giving our students all we can.**

**Return this form with your information to me as soon as you are able. Or you can e-mail me [juanespinosa@dadeschools.net](mailto:juanespinosa@dadeschools.net).**

**I will do my utmost to accommodate you in every possible way if you're willing to help us out. I look forward to having you all with us for this great event.**

**Thank you so much.**

**Sincerely,**

**Juan Espinosa**
